

TINY RENAISSANCE HOMES

# Tiny Home Community Development in Rural Areas

## Who We Are

Tiny Renaissance Homes, Inc. is a visionary private company dedicated to developing master-planned communities for tiny homes in Fairfield and Marshall, Texas. We are focused on creating spaces that provide sustainable, compact living solutions and enrich residents' lives through amenities, community gardens, and various events and activities. Our mission is to enhance mental and physical well-being by fostering a deeper connection with nature and building a supportive, vibrant community.

### Community and Lifestyle

We are committed to creating a community that will help create a better tomorrow for everyone.

### Affordability

We are committed to providing innovative solutions that will help create opportunities for homeownership for those who want it.

### Innovative Design

We are dedicated to offering innovative micro home designs that are durable and create a sustainable living environment for homeowners to flourish.
